

# FLYERS NEWS FLASH

2019-20 | SEPT. 6.

## NEWSLETTER BI-MONTHLY

*Information: Not too much, not too little*

Information is a great thing and we want to make sure you have it when you need it. However, we also know families are busy and don't have time to waste. With this in mind, now that we have gotten through the beginning of the year when much information is necessary we will be sending out our newsletter on a bi-monthly basis.

## SCHOOL PICTURES

*Coming Soon*

We are happy to have Eastman Adams Photography coming to take our school pictures this year! Order packets will be coming home later next week. You can send money the day pictures are taken or order online.

## STUDENT UPDATE

*Please help*

There are still many students who need to have their student update completed. We are happy to help, either by phone or in person in the office. Please, if you have not completed this important task yet this year, do it now.

### Green Ribbon Week Sept. 9-13

This week we will have activities and mini-lessons each day about staying safe walking, biking and riding in automobiles.

Wednesday kids can wear green and Friday is crazy hat day to help our students remember to wear their helmets.

### Reflections Assembly Sept. 9

We are excited to kick off Reflections this week! PTA is celebrating 50 years of helping students explore the arts. Students wishing to participate in this wonderful opportunity may find entry forms and contest rules in the office. Entries are due Friday, October 11.

**PTA Fall School Carnival is Monday Sept 23 from 5:30-7:30.** We have some great items in our silent auction and will have fun games and food. Please plan on coming to join the fun with us.
