

Alpine Elementary School Community Council Minutes January 20, 2017

- Mr. Perdue explained to the SCC that our School Improvement Plan and associated goals are due on April 15, and he encouraged the SCC to start thinking about what goals the SCC wanted to establish for the 2017 – 2018 school year. The parents on the SCC asked Mr. Perdue and the two teachers what they thought would be appropriate goals.
- It was also decided that the after school clubs that SCC member Janna Armatage is organizing is more of a PTA responsibility than a SCC function.
- Deborah Larsen gave the SCC an overview of White Ribbon Week
- Mr. Perdue asked the SCC what they suggested Spring Fundraising money be used for. There was a lot of discussion on class sizes and the need for more teacher aides. Holly Reynolds told the SCC that she was going to write a letter to Elementary Supervisor Starlene Holm about class sizes.
