

**Alpine Elementary School Community Council
Minutes Mar 24, 2017**

- The SCC unanimously voted to accept the following literacy goal for the 2017-18 school year:

85% of K-3 students will achieve the proficient benchmark on the 2018 Spring DIBELS Assessment. Alpine Elementary will have a Median Growth Percentile (MGP) of 50 for students in grades 4 - 6 to measure SAGE growth scores from 2016-17 to 2017-18.

- Mr. Perdue gave the SCC a progress report on how the Trustlands monies have been spent for the 2016-17 School Improvement Plan, explaining that he has shifted to some money to different accounts to help pay for an increase in sub costs and teacher professional development in the summer.
