

**Alpine Elementary School Community Council  
Minutes November 18, 2016**

- Mr. Perdue reviewed with the SCC the School Improvement Plan for the 2016-17 school year and how Trustlands money was allocated by last year's SCC to support the plan.
- The SCC then went out to the STEM Lab and Deborah Larsen explained how last year's SCC allocated Trustlands monies to create a STEM Lab at Alpine Elementary. Mr. Perdue and Deborah answered SCC member questions about the STEM Lab about how often it is being used and for what purposes.
- The meeting adjourned in the STEM Lab.
