

SCC Meeting December 7, 2018

Reviewed Alpine School District's - Vision for Learning:

Our students acquire the essential knowledge, skills, and dispositions in each content area and the fundamental capacities of collaboration, critical thinking, communication creativity, citizenship, and character.

The 6 C's:

Critical Thinking

Creativity

Communication

Collaboration

Citizenship

Character

Reviewed the implementation plan – 4 years of implementation

Alpine Elementary is currently in Year 1 (Leadership Preparation)

- Leadership development focused: 5 Domains (Vision, Climate, Manage, Instruction, Leadership) – importance of PLCs (professional learning communities)

What ideas do we have that fit with the Vision of Learning:

- Social media ongoing education – how can we approach this from an elementary school level? Starting young – preparing our children for the future
 - Learn more from experts – how can this be implemented?
- How do we measure the 6 C's? Ongoing discussion.

Action Items:

Think about how the SCC money can be used for Alpine Elementary. Speak with other community members.
